III. DECISION.

I have reviewed this plan conformance and NEPA compliance record and have determined that the proposed project is in conformance with the approved Roswell Management Plan and is consistent with Bureau policy and guidance and that no further environmental analysis is required. It is my decision to renew the rights-of-way as described, for 20 year, with an option to renew, pursuant to Section 28 of the Mineral Leasing Act of 1920, as amended (30 U.S.C. 185) subject to the terms and conditions in 43 CFR 2880; rental payments as determined by 43 CFR 2803.1-2; and the attached Current Standard Stipulations for Buried Pipelines in the Roswell Field Office, BLM.

Compliance and Monitoring: The construction phase of this proposed action and subsequent operational phases will be monitored as per regulation.
